Please note: Continued eligibility for CHCP isn't guaranteed. We reserve the right to close enrollment or change the eligibility rules at any time. If you're approved for the subsidy, the subsidy period is limited and we'll contact you in the future to confirm that you still qualify.

Kaiser Permanente will keep your information private, as required by law, and use your personal information only to see if you qualify for Kaiser Permanente's subsidy.

Frequently asked questions

1. How long does it take to find out if I am approved or denied Kaiser Permanente Community Health Coverage Program (CHCP)?

Completed forms that include all required documentation can take up to 6 weeks to process. If any information is missing, it may take longer and you may miss the deadline for applying. Completing this form does not guarantee enrollment in CHCP.

2. How much will I pay each month for CHCP?

No monthly payment is required. Kaiser Permanente will subsidize the full monthly premium.

3. What happens when I no longer meet the eligibility requirements?

When you no longer meet our eligibility requirements, you will be disenrolled from CHCP. You will remain enrolled in the Kaiser Permanente - Platinum 90 HMO plan, **but you'll have to pay your full monthly premiums and out-of-pocket costs**, unless you ask us to end your membership or until you fail to pay the full premium.

4. I can't afford to pay for coverage through Covered California. Can I still qualify for CHCP?

Not being able to pay Covered California premiums does not qualify you for CHCP. You must meet the CHCP income and other criteria to qualify.

5. Do I qualify for CHCP if I am offered health coverage through an employer?

To be eligible for CHCP, applicants must not have access to an employer plan that is considered affordable. CHCP follows federal guidelines for affordability. For 2025, the threshold that determines if an employer plan is affordable is if the premium is equal to or less than 9.02% of one's household income. If you believe your job-based coverage is unaffordable, please submit proof of job-based coverage and include information on the cost of coverage and frequency of payment.

6. What other health coverage programs are available?

Find out if you qualify for Medi-Cal. This option may be available if you meet the following eligibility requirements:

- Children younger than 19 living in households with income at or below 266% of the Federal Poverty Level (FPL) (\$41,629 for an individual or \$85,519 for a family of 4 in 2025).
- Adults 19-64 with household income up to 138% of the FPL (\$21,597 for an individual or \$44,367 for a family of 4 in 2025). Beginning 1/1/2026, adults 19 and older must have an eligible citizenship or immigration status to qualify. Kaiser Permanente is a Medi-Cal provider and may be available to you.
- Pregnant individuals with income up to 213% of the FPL (\$33,335 for an individual or \$68,480 for a family of 4 in 2025).
- For more information, please visit kp.org/medi-cal or call the Kaiser Permanente Medicaid Assistance Center at 1-800-557-4515 (TTY 711). You may also contact a community organization or your local county services office for more information.

Buy health care coverage through Covered California. If you qualify, you may get help paying for your plan premiums or out-of-pocket costs. Remember to enroll during the Covered California open enrollment period. If you wait until after the open enrollment period ends, you'll need a qualifying life event to enroll in a new plan. For more information, visit CoveredCA.com, which also has Kaiser Permanente plans.

Call us at 1-800-488-3590 (TTY 711) or visit buykp.org to learn about other Kaiser Permanente for Individuals and Families plan choices.

Find out if you qualify for Medicare, a federal program available to people ages 65 or older. There are different periods in which you may be eligible to enroll in a Medicare health plan. Visit kp.org/medicare for more information. If you have limited household income, you may qualify for Medi-Cal. Please visit kp.org/medi-cal to learn more.

7. What if I'm not accepted into CHCP?

If you're not accepted, there may be other health coverage programs available to you. See question 6 for more information.

Be sure to review the "Frequently asked questions" before completing the subsidy eligibility form
